

Launching Tenneo

What's New in Tenneo LMS Version 8.5 & App

Make your learning fit perfectly into everyday work, right between meetings, commutes, and coffee breaks.

Tenneo 8.5

We are excited to announce the release of Tenneo 8.5.

Our focus was simple: cut the noise and accelerate growth.

We've streamlined the learner experience and simplified learning, giving you a platform that stays out of your way and gets the job done.

Heads up! What's the Big Shift

Tenneo 8.5 moves learning from “available” to “effective”.

Inside Tenneo 8.5

No more “Where do I start?” moments, just dive in!

We’ve killed the “Where do I start?” moment. Now, we guide learners step-by-step the second they log in, showing them exactly where their courses are and how to master the platform.

Now unlimited video learning clips and streaming at your pace.

Now available across Learn and Learn+ variants, you can dive into high-quality content without buffering, frustration, or performance drops. Just hit play and go.

Motivation that is addictive.

We believe hard work should be celebrated. We’ve brought in Xoxoday to turn milestones into real-world rewards. We’re making progress visible and effort acknowledged, giving your team a genuine reason to keep levelling up.

More power to learners

We know learning topics are easier to undertake when you visualize them. We’ve integrated Mind Maps to help break down big concepts and learn with clarity.

Learning has officially gone mobile, without the mess.

Tenneo has revamped its learning experience for users.

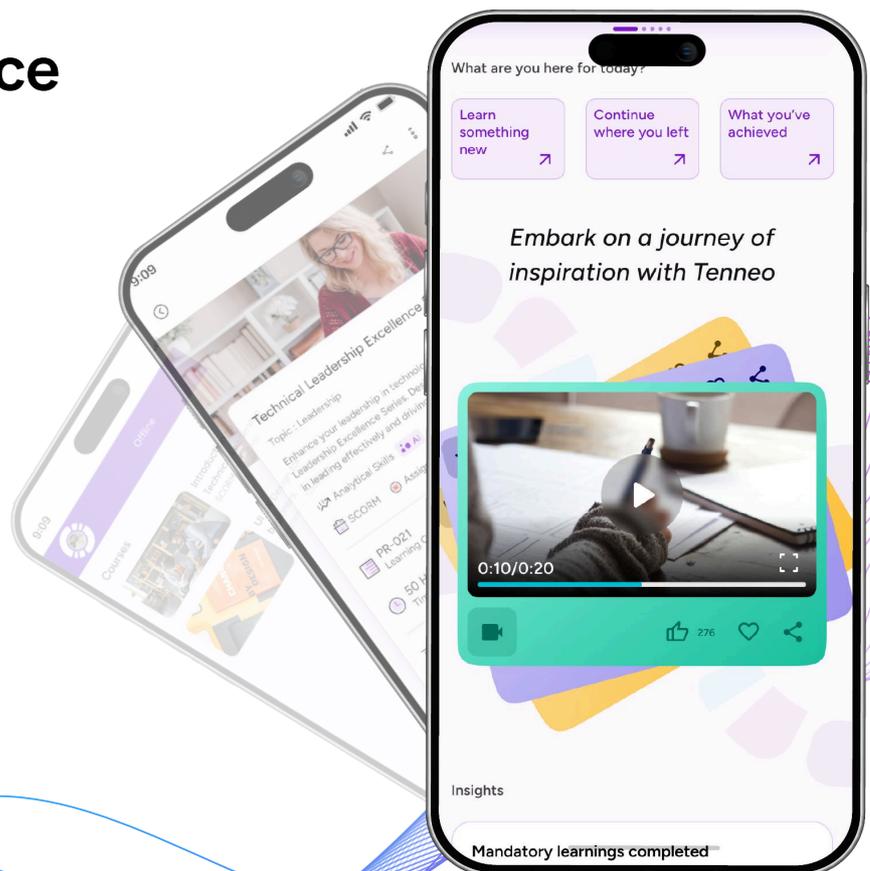

The **Tenneo One App** is designed to keep learning simple, intuitive, and engaging.

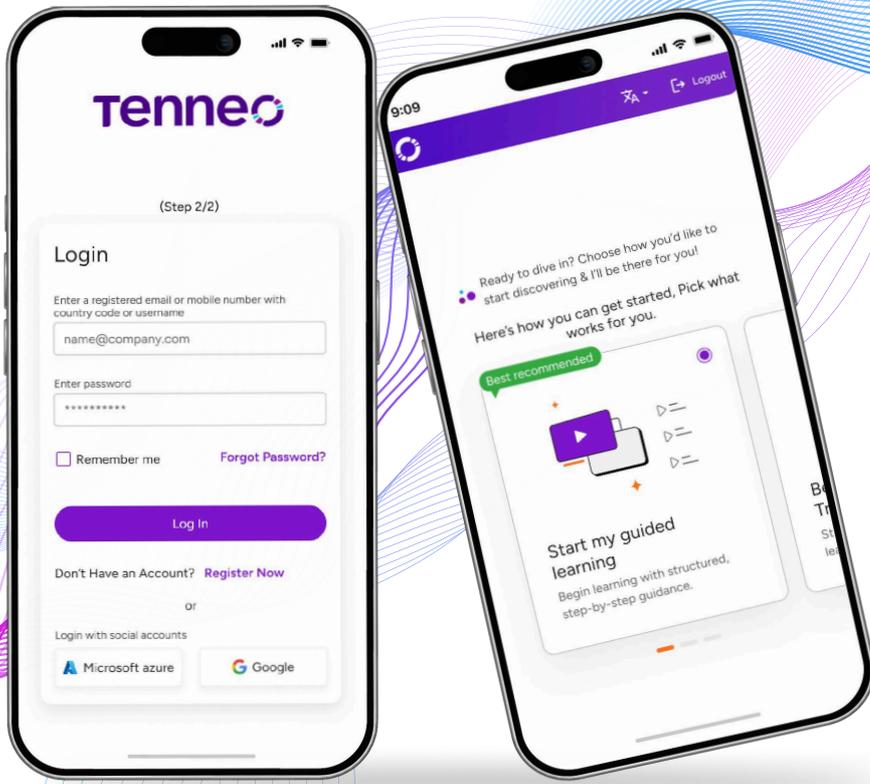

Modern UX, smooth content delivery, and built-in motivation drive participation organically, without constant reminders.

What's New in **Tenneo One App**

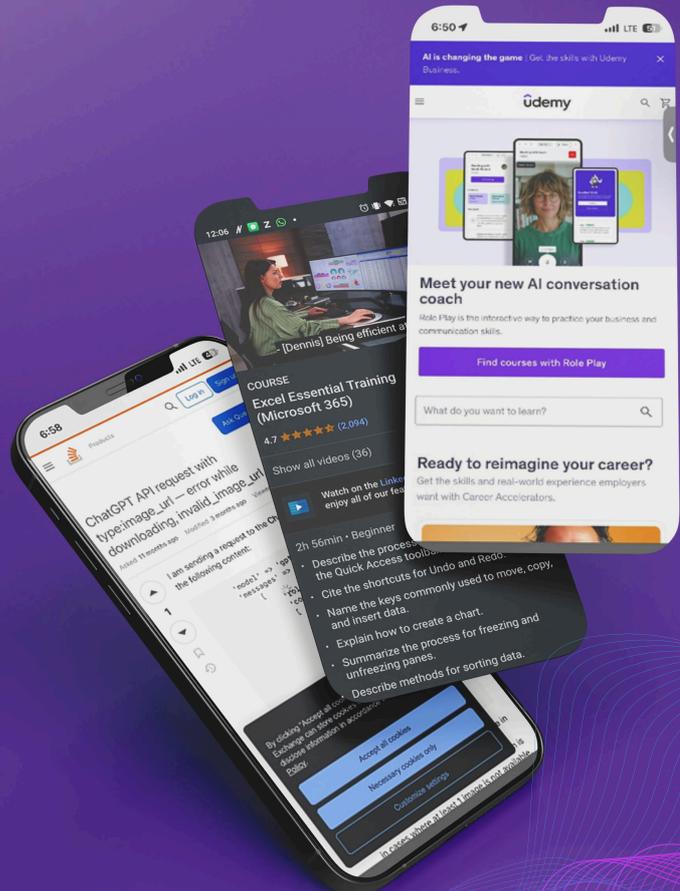

A Modern & Fresh Learning Experience

Engaging Start, Every Time

Seamless Video Learning

Built to evolve

With 8.5 and One Mobile App, we've redefined the learning experience. Stripped away the noise to focus on what matters: engagement, speed, and enterprise-grade scale.

Dive in for next-gen learning experience!
